

Guell

Inspired by the serpentine bench seating that frames Gaudi's Park Güell, the Guell collection is centred on curved, clean lines and open, flowing spaces. Park Guell was designed to enhance the qualities of the existing landscape, and Guell playfully channels this vision. Guell's modular nature and power and data integration allow it to coalesce with all environments, making adaptable seating a walk in the park.

Guell

Information

Design

Alexander Lotersztain, 2010

Environment

Indoor

Warranty

5 year structural

Certifications

GECA certified

Materials

Upholstered elements constructed using Dunlop Enduro® foam with MDF substrate, upholstered in Customer's Own Material (COM) and/or Leather (COL). Side table consists of powder coated mild steel base with veneered MDF or laminated structural board with matching ABS edge table top.

Notes

- Each seating module supplied with connectors, used to link modules together.
