

A close-up, low-angle shot of a modern white chair with a blue upholstered seat. The chair's frame is made of smooth, white, rounded plastic or metal. The seat is covered in a textured, blue fabric. The background is a plain, light color, possibly white or light gray, which makes the chair stand out.

Picket

The classic but playful form of the Picket collection allows for flexible use, whether it be for hospitality or home. Soft edges and a flowing form add to the warm nature of the Picket collection and make for relaxed and comfortable seating. The picket range responds to ideals of timelessness and versatility with a whimsical attitude.

Picket

Information

Design

Alexander Lotersztain, 2012

Environment

Indoor & Outdoor

Warranty

5 year structural

Certifications

GECA certified

Materials

Upholstered elements constructed using Dunlop Enduro® foam with MDF substrate, upholstered in Customer's Own Material (COM) and/or Leather (COL). Frames in powder coated mild steel. Seat tops in solid timber or LDPE plastic. Table tops in solid timber, laminated structural board with matching ABS edge or HDPE plastic.

Notes

- Picket can be used outdoors by applying a zinc undercoat before powder coating. Only HDPE and LDPE plastic tops are suitable for outdoor use.
