

# Rime Pendant Lamp

“Designing simple things is often one of the hardest things to do. We wanted to create a simple lamp with a glass shape, giving it a soft expression while making its top and pendant tube as subtle as possible. We were inspired by the shape of acorns for the gentle lines of the pendant while hinting towards the shaded expression of ice and rime for the glass of the design, allowing for the light to shine slightly through with a refined touch.”

<b>Description</b>	The Rime Pendant Lamp brings an elegant perspective to the glass pendant lamp through its semi-transparent glass that has been sandblasted for a refined expression. The design features a characteristic form, inspired by the shape of acorns, complemented by its powder-coated top-part, pendant tube and cord in a matching color for a subtle touch. The design is available in four colors across four sizes, allowing you to use the design on its own or in linear formations or playful clusters for a modern chandelier.
<b>Material</b>	Mouthblown glass shade that has been sandblasted. Aluminum, powder coated top-piece and pendant tube. PVC cord.
<b>Cleaning &amp; Care</b>	Clean with a dry cloth. Always switch off electricity supply before cleaning.
