Prompting a gentle and harmonic idiom

Shaped armrests and a soft, sculpted shell characterise the Versu Chair. The chair is available with two distinctive bases in black powder-coated steel: a sled base and a tubular frame with subtly rounded legs. Prompting a gentle and harmonic idiom, both frames add lightness to the generously upholstered shell, further enriched with a stitched detail at the back.

DESIGNER

365 North

CATEGORY

Dining chairs

TESTING

BIFMA
EN 16139
