

Pippin Chair

Combining comfort and agility with a strong sustainability agenda

Pippin provides upholstered comfort and support that invites longer interactions but readily moves as and where it needs to. Set on wheels, it comes with a convenient strap handle that facilitates movement while adding a playful touch. Pippin comes with a tailored, zip-on, zip-off cover that gives the chair its sophisticated personality.

Core Features

- A flexible, mobile lounge chair.
- Designed with the end of life in mind.
- Available with or without strap handle and castors.
- Global take-back programme.
- 10-year warranty.

Designed by Lucy Kurrein

Without Strap Handle

The cold cure foam material has been tested to meet the following standards:

- British standard: 5852:2006 Part 2
- California Technical Bulletin: 117-2013

The flammability standard of the covering fabric is dependent on the choice made by the customer, details of the flammability rating of specific fabrics can be found on supplier's websites.

Product Sustainability Statement

The Pippin Chair is available in a range of options, but for the purpose of this document we have a specific example from the range: Pippin chair with strap handle and castors.
