

# COVER LOUNGE CHAIR

**THOMAS BENTZEN ON THE DESIGN** "The Cover Lounge Chair came from a desire to create a comfortable lounging design in wood that was at once modern and timeless whilst deeply rooted in the traditions of Scandinavian craftsmanship. Shaping its backrest, seat and armrest covers in a form-pressed veneer made for a crisp and contemporary expression, paired with the elegant sentiments of its base in solid wood. The Cover Lounge Chair has a large, embracing seat while taking up little space in the room, joined by a refined yet durable appearance."

**Colored version:** seat and shell is made from ash, while frame and legs are made from solid beech wood.
