

FIBER ARMCHAIR SWIVEL BASE W. CASTORS & GAS LIFT

ISKOS-BERLIN ON THE DESIGN “One of the most difficult and noble disciplines is to design without eccentricity, creating simple, well-functioning objects that hold strong identities. The Fiber Armchair and Side Chair have a clear sculptural language that refuses to compromise on comfort, stripped of all unnecessary layers. With the element of a gas lift in the design, the iconic form marries soft, embracing curves with an innovative wood fiber composite and added user-friendliness for a chair that is at once modern, functional and tactile.”

DESCRIPTION

Fiber Armchair is made from an innovative composite of wood and plastic fibers for a deep, matte surface and soft touch. Here, the design combines its slender and embracing form with the functionality of a gas lift for easy raising and lowering of the seating height—an ideal design for any office, co-working space or hospitality interior.

PRODUCTION PROCESS

The wood and plastic composition is heated and poured into a mold that presses the chair's shell. The swivel base is made from die casted aluminum, casted in one piece. Cylinder in aluminum. Pressurized gas lift cylinder.

MATERIAL

Shell consists of a wood and plastic composition with up to 25% wood fibers, 70% PP (polypropylene) and 5% colored PP (polypropylene).

SPARE PARTS

Glides included

CLEANING AND CARE

Clean with a moist cloth. If necessary use a little dish soap on the cloth. For textile upholstery versions, please find cleaning instructions for your chosen textile at kvadrat.com or for leather at ca-mo.com. For leather upholstery versions: Clean the leather with a dry cloth regularly. Treat the leather at least four times a year using only special leather treatment products for aniline leather.

MADE-TO-ORDER

Non-standard colored chairs are made-to-order. The chairs can be upholstered in all colors from Kvadrat's Remix, Steelcut, Steelcut Trio, Canvas, Clara, Hallingdal, Divina MD & Divina Melange textile series, in all Woolly colors from United Fabrics, or in Leather from selected premium leather suppliers. Option of Polished Aluminum base as made-to-order option in EU.
