

# OSLO SIDE CHAIR

**ANDERSSEN & VOLL ON THE DESIGN** “With the Oslo Side Chair, we wanted to create a design that had a light and airy appearance with extensive comfort. Its smooth, embracing curves make it a both inviting and sculptural design while the slender legs give it an elevated and refined look. The Oslo Side Chair creates a new perspective on the traditional form with its rounded softness and gentle seat—a friendly design for any setting of the modern home, restaurant and workplace.”
