

LONGWAY® COLLECTION

Bartoli Design / 2007

segis

Longway® is a modular system of narrow and wide ribbons of upholstered seating which undulate to form seats and armrests creating large central or terminal curved lines. Longway enhances an environments' quality with its particular play of shapes: the basic composition creates results never seen before, the alternation of curves and horizontal planes offers a marked visual impact. The broadness and versatility of the collection allows limitless compositions. **The collection includes single and modular elements:** benches, sofas and tables (Longway® tables) that forms islands, linear, angular benches, "C" or curved compositions and is aimed particularly to contract environments such as lobby, waiting

room, shopping centers, airports, hotels, showrooms. Longway® is also suitable for semi-public spaces as stay, relax and informal meeting area.

The large plan is suspended between floor armrests or on brushed stainless steel legs, powder coated or satin chromed steel legs. The internal frame is constructed of steel and upholstery of different densities of non-deformable polyurethane foam, lining of polyester padding.
For articles IW09, IW10, IW41, IW42, IW70, IW72 and IW73 the internal frame is in plywood.
Fire retardant inner padding meets "California Bulletin 117A" and "Italian Class 1 IM" Standards.

Special foam meeting the **5852 British Standards** is available on request.

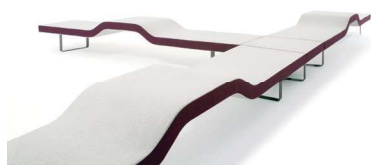

Covers are available in fabric, faux-leather or C.O.M. (preferably in solid colours). Possibility of upholstery using different materials or two colours of the same material with additional cost.

Seat height: 42 cm

For Longway® tables see "Tables" section.

For Longway® outdoor see page 174

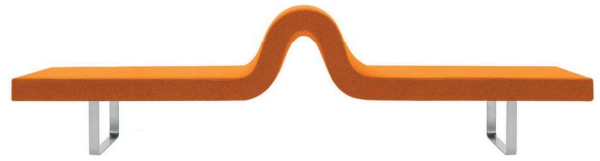

Configurations

A drawing of the required configuration must accompany your order

Bench with central armrest
with or without backrest, with the possibility
to assemble in different way.

	Article	Upholstery	Powder coated legs	Satin chromed legs 03	Brushed stainless steel legs 66	pcs / dimensions volume / gross weight product net weight
